## TECU Tech Tips

For many searches, Google will do the work for you and show an answer to your question in the search results. Some features, like information about sports teams, aren't available in all regions.

- **Weather:** Search "weather" to see the weather in your location or add a city name, like "weather Seattle", to find weather for a certain place.
- **Dictionary:** Put "define" in front of any word to see its definition.
- **Calculations:** Enter a math equation like "3\*9123", or solve complex graphing equations.
- **Unit conversions:** Enter any conversion, like "3 dollars in Euros".
- **Sports:** Search for the name of your team to see a schedule, game scores
